

***Each and every K-12 student will learn and demonstrate understanding of the essential concepts and skills identified in the Iowa Core for life in the 21st Century.***

**This means that at Central DeWitt CSD, administrators will continue to grow in their ability to meet the following expectations:**

- Participate, sustain and improve upon high levels of professional development practices in order to increase skills as an instructional leader
- Support teacher growth through formal and informal evaluations
- Reflect on practice & learning as professional educators
- Be consistently visible in classrooms
- Commit to sharing feedback supportive to professional growth

**This means that at Central DeWitt CSD, teachers will continue to grow in their ability to meet the following expectations:**

- Participate, sustain and improve upon high levels of professional development practices in order to meet the instructional needs of each and every student
- Focus learning on continuously assessed Iowa Core
- Build positive relationships with students in a supportive learning environment
- Model anytime/anywhere access to learning through use of technology
- Reflect on practice & learning as professional educators
- Use research and data to guide instruction

**This means that at Central DeWitt CSD, students will continue to grow in their ability to meet the following expectations:**

- Utilize technology to increase global learning, access, and understanding
- Have anytime/anywhere access to learning through technology
- Experience individualized learning
- Be critical thinkers, creative, collaborative, adaptable, and possess strong communication skills
- Engage in rigorous and relevant instruction
